## **1 – WELCOME MESSAGE:**

A warm welcome to the 2024 Rally of Lebanon, the only round of the Middle East Rally Championship run on tarmac.

In this round of the MERC championship, the competitors will be challenged on narrow and slippery roads from the Mediterranean Sea uphill into the Lebanese mountains home of our Cedars, the flagship of our culture spread all over the world since our Phoenicians ancestors till our modern time.

While passing among the different villages, the competitors will enjoy the Lebanese hospitality, and if they have time, grab a bite of the traditional cuisine.

Finishing the Rally is a milestone by itself, wishing only the best to all participants.

Best Regards, Serge Tchopourian

Organising Committee – Chairman

### **10** – **RECONNAISSANCE**:

It is emphasized that reconnaissance is not a practice run. The competitors must drive in a manner that does not endanger or cause inconvenience to traffic or people living within and near the stages. During reconnaissance, the traffic laws of Lebanon must be strictly complied with as well as the safety and rights of other road users should be respected.

#### 10.1 - Registration:

The Reconnaissance Registration will take place at the Rally Office on Tuesday, August 27<sup>th</sup>, between 16:00hrs - 18:00hrs.

By signing the Reconnaissance Form, the competitor and the crew hereby agree on the Declaration of indemnity annexed to it.

The Reconnaissance cars must be covered by insurance as required by the traffic laws of Lebanon, no responsibility being imputable to the organisers.

#### 10.2 - Reconnaissance GPS Trackers:

A monitoring system of the speed and reconnaissance car position during reconnaissance, by means of GPS-GSM tracking apparatus, will be used. The fitting of these tracking units will take place on Tuesday, August 27<sup>th</sup>, 2024, during the collection of reconnaissance time cards.

#### 10.3 - Reconnaissance regulations and instructions:

- The identification numbers, given at the registration, shall be affixed to the reconnaissance car on the windscreen (top centre) and on the right and left rear side window. They must be kept visible for the whole duration of the reconnaissance period.
- Crews are required to show their reconnaissance time card at the start and finish of all special stages.
- Crews will only be permitted to enter and leave special stages through the start and finish controls shown in the Road Book, and may not, under any circumstances, drive in a direction opposite to that of the rally.
- Crews are authorised to drive a maximum of two (2) times through each special stage during the reconnaissance period. When a special stage is used more than once in the same configuration only a total of 2 passes will be permitted.
- Maximum speed limit of 80 km/h during reconnaissance is imposed on all special stages unless another speed limit is indicated by traffic signs. Any infringement will be penalised in accordance with Art 34.2.2 of the 2024 RRSR
- Other traffic infringements during reconnaissance will incur a penalty applied by the Steward according to Art 34.3.4 of the 2024 RRSR.
- All cars must always have their headlights on whilst travelling on the special stages.
- Participation in reconnaissance is not compulsory as per Article 35.4.1 of the 2024 FIA RRSR.

## **17 – GENERAL FACTS AND INFORMATION:**

#### 17.1- Country Facts and Statistics:

Area

10,452 sq km (4036 sq miles).

#### Capital

Beirut.

#### Geography

Lebanon lies to the east of the Mediterranean, sharing borders to the north and east with the Syrian Arab Republic, and to the south with the Occupied Palestinian Territory / Israel. It is a mountainous country and between the two mountain ranges of Jabal Lubnan (Mount Lebanon), Mount Hermon and the Anti-Lebanon range lies the fertile Bekaa Valley. Approximately half of the country lies at an altitude of over 900m (3000ft). Into this small country is packed such a variety of scenery that there are few places to equal it in beauty and choice. The famous cedar trees grow high in the mountains, while the lower slopes bear grapes, apricots, plums, peaches, figs, olives and barley, often on terraces painstakingly cut out from the mountainsides. On the coastal plain, citrus fruit, bananas and vegetables are cultivated, with radishes and beans grown in tiny patches.

#### 17.2- Visa

#### **Requirements:**

#### Passports

Passport valid for six months required by all except nationals of the Syrian Arab Republic arriving from their country with a valid national ID.

#### Visas
